Source Components

DIGITAL SOURCES

Retail

NOTE: while any DS Digital Streamer will play back files stored directly onto a PC's hard drive, a NAS is highly recommended

KLIMAX DS - DIGITAL MUSIC PLAYER

18,500.00

Silver ONLY

- Digital source product for streaming audio from NAS
- Sonically outperforms the legendary CD12
- Product works in conjunction with a web tablet, laptop, PDA. iPhone, iPod, Nevo S70 or similar and NAS

AKURATE DS - DIGITAL MUSIC PLAYER

6,850.00

Black or Silver

- Digital source product for streaming audio from NAS
- Sonically outperforms the AKURATE CD player
- Product works in conjunction with a web tablet, laptop, PDA. iPhone, iPod, Nevo S70 or similar and NAS

MAJIK DS - DIGITAL MUSIC PLAYER

3,500.00

Black or Silver

- Digital source product for streaming audio from NAS
- Sonically outperforms the MAJIK CD player
- Product works in conjunction with a web tablet, laptop, PDA. iPhone, iPod, Nevo S70 or similar and NAS

SNEAKY MUSIC DS

2,450.00

Black or Silver

- Digital source product for streaming audio from NAS
- Built-in 20 W/PC power amp
- Analog and digital outputs
- Analog output fixed or variable
- Product works in conjunction with a web tablet, laptop, PDA. iPhone, iPod, Nevo S70 or similar and NAS
- Can be oriented horizontally or vertically with supplied feet

UNIVERSAL DISK PLAYERS

Retail

UNIDISK 1.1

11,950.00

Black or Silver

- Multi Format Player, Black or Komponent Silver
- Advanced universal multi-channel source component
- Proprietary SILVER DISK ENGINE technology
- Superb audio and video performance
- DVI/DHCP digital video output
- RS232 IN and OUT

UNIDISK SC

5,510.00

Black or Silver

- Multi-format player/processor, Black or Komponent Silver
- Advanced universal multi-channel source and control component
- Proprietary SILVER DISK ENGINE technology
- Decoding and control of up to 8 secondary sources
- HDMI output
- RS232 IN and OUT

CD PLAYERS

Retail

AKURATE CD

7,495.00

Black or Silver

- CD/SACD/DVD-A/CD-R/CD-RW
- Stereo and multi-channel output
- RS232 IN and OUT
- Toslink and SPDIF digital outputs

MAJIK CD

3,500.00

Black or Silver

- CD/CD-R/CD-RW
- mp3/HDCD/DTS2.0+DIGITAL OUT
- Exploits Linn's unique clocking technology developed on the ground breaking CD12
- RS232 IN and OUT
- Toslink and SPDIF digital outputs
- 2 sets of single ended analogue outputs

TUNER

Retail

AKURATE TUNER

Black or Silver

- AM/FM or AM/FM/DAB
- RDS enabled
- 100 presets, including direct access to your 10 favourites
- Knekt enabled
- RS232 in/out

1895.00

*Note: the only version we carry in inventory is the AM/FM/DAB, both versions are the same price
DAB NEEDS line of sight reception and in your locale you may need a roof mounted aerial
DAB is not necessarily available in your area: check <http://www.cab-acr.ca/dmri/links.shtml>*

KOMPONENT speakers can be converted to AKTIV operation. See Linfo for detailed instructions.

All KOMPONENT speakers are available in SILVER or GRAPHITE finish. Please specify when ordering.

All KOMPONENT speakers come complete with wall mounting brackets and grilles packed in the box.

The 110 and 104 come with a cover plate to cover the speaker connections, the 106 does NOT.

CUSTOM 2K LOUDSPEAKER SERIES

All Custom 2K versions have an optimized acoustic enclosure, in other words **they're sealed**.

Metal backboxes are available for use where building code requires it.

Same size cutouts as SEKRIT and DISKREET, allowing for easy retrofit/upgrade of existing installations

Can be mounted in standard 2x4 wall cavity.

Like their freestanding Komponent cousins, Custom 2K loudspeakers can be converted to aktiv operation for enhanced performance. Please refer to the chart on page 16 for the appropriate models.

Backboxes and pre-installation brackets are best used with the mounting strips and retaining tabs shown below.

106C variant (can also be used in vertical orientation with 2K array rotated 90°)

270.00

**Loudspeaker upgrades to AKTIV operation for LK, AV, CHAKRA, MAJIK and AKURATE series amps
for all upgradeable speakers**

Retail

For LK100 and LK-size MAJIK a mounting tray is needed to hold the boards.

Majik-/LK100 Installation kits

70.00

5140 speakers require a conversion kit which replaces the passive crossover

5140 Conversion kits

70.00

When doing aktiv upgrades to Keilidh/Kaber or AV5140 we recommend changing out to the new soft-dome tweeter such as used in Ninka, Katan and Espek

EACH

70.51

Please specify name/model of speaker and amplifier to be used.

Chakra AKTIV cards are MONO and NOT usable in any other amplifier without the use of an adapter. See chart.

NOTE: older CHAKRA boards CANNOT be used with the adapters listed below.

Adapters will ONLY work with newer Chakra boards with the so-called double header.

Stereo AKTIV adapter CHAKT51

70.00

- for use in **LK85, LK140, 2250 and AV5125**
- for amplifiers or sections designed to accept stereo modules

Mono AKTIV adapter CHAKT50

N/C

- for use in **LK100, LK240, KLOUT, AV5105, AV5125 and MAJIK-I integrated**
- for amplifiers or sections designed to accept 'OLD' style mono modules

CHAKT50 and CHAKT51 will be supplied at NO CHARGE at time of order

AKTIV CARDS

each

160.00

**AKURATE MUSIC SERVER****Retail***Black or Silver*

10,280.00

- The world's highest performance music server, offering full bandwidth CD quality playback
- Concurrent access by up to 8 users, so ideal for use in any multi-room distributed analogue audio systems, as well as Linn's Knekt system
- Music is stored remotely on a standard networked hard drive array rather than on the product for unlimited storage making it a flexible and upgradeable solution
- The storage device (NOT INCLUDED) can be configured using RAID technology to protect audio and playlist data for the most secure and reliable solution
- Compact (1U), rack-mountable product which saves space in installations
- Can be controlled using a third party device via Ethernet or RS232, e.g. AMX or Crestron, and incorporates AMX Device Discovery for simpler and faster installation and programming.

**KIVOR LINNK Interface**

2,260.00

Black or Silver

Required to interface AKURATE MUSIC SERVER or KIVOR to Intersekt

Not required if controlled by AMX, Crestron or other RS232 controller
